

Vase Art Deco Signe Tharaud Limoges) XXeme

750 EUR

Signature : Tharaud

Period : 20th century

Condition : Très bon état

Material : Earthenware

Description

A beautiful vase by Tharaud, atypical in its design with reactive glazes (fired in a way that causes colors to fuse), created with a very fluid glaze with "lava" effects in copper, turquoise and brown tones -- a style published by the Tharaud company, a porcelain manufacturer located in Limoges, a major center of French ceramics. Tharaud is best known for its fine porcelain, often white, decorated in a classical style.
