Description

A glazed ceramic vase with black decoration on a white background, enhanced with a red motif, in a graphic vocabulary characteristic of Emilio Scanavino. The artist's work in ceramics echoes the language of signs, linear tension, and gestural writing found in his painted work. This exploration occupies a distinct place in post-war Italian art, where certain artists extended abstraction into the decorative arts and ceramics. Emilio Scanavino was born in Genoa in 1922 and died in Milan in 1986. Numbered: 11/100. Very good condition.
