240 EUR

Period : 20th century

Condition : Très bon état

### Description

Larrañaga (Basque school, circa 1950/60):  
"Resting in front of the farmhouse," oil on canvas, 46 x 55 cm, mounted in a faux-wood painted frame, 60 x 68 cm. Previously attributed to Xavier Larrañaga, which is obviously impossible as it was painted around the time of his birth, the composite signature includes a second name that I haven't been able to decipher. This charming work depicts a Basque couple chatting in the shade of a typical regional farmhouse, with hens pecking in front of them. Please feel free to request additional photos or information by email or phone.
