### Description

A superb and elegant pair of 18th-century corner cabinets. They rest on three fluted feet at the front and one at the back. The fronts open with two molded doors, and the side stiles are fluted with canted corners. The cabinets retain their original green-grey background and burgundy border. Each corner cabinet is topped with a white Carrara marble slab. A high-quality piece in very good condition; one lock has been replaced, but both are functional.
