Description

A glazed ceramic dish with a black design on a white background, enhanced with a red motif, in a graphic style characteristic of Emilio Scanavino. The artist's ceramic work echoes the language of signs, linear tension, and gestural writing found in his paintings. This exploration occupies a distinct place in post-war Italian art, where certain artists extended abstraction into the decorative arts and ceramics. Emilio Scanavino was born in Genoa in 1922 and died in Milan in 1986. Numbered: 72/200. Very good condition.
