

## Silver-plated Metal Oil And Vinegar Set - Hand-blown Glass Cruets With Engraved Decoration

280 EUR

Signature : Armand Frenais

Period : 20th century

Condition : Bon état

Material : Silver metal

### Description

Silver-plated metal oil and vinegar set with guilloché decoration, by silversmith Armand Frenais. Bottles/cruets in blown glass with engraved decoration. Some signs of age on the interior of the silver-plated containers do not detract from the overall quality. The handle of one bottle shows the mark of a previous, very well-executed and almost invisible repair. The set is in good condition. (First quarter of the 20th century).
