

## Inkwell With Bather - Bronze Circa 1850-80

350 EUR

Period : 19th century

Condition : Etat d'usage

Material : Bronze

### Description

A bather, his head wrapped in a towel, emerges from the water. His hands serve as pen holders. His head hides the inkwell (the glass cup is missing). Blackened pear wood base. Dents, wear - the base molding is missing at the back.
