

18th Century Plate, Marseille

140 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Diameter : 24 cm

Description

We are offering this 18th-century earthenware plate, which we believe to be by Leroy in Marseille, featuring a Chinese figure in the center and insects. The plate is in fairly good condition, though it has a visible crack starting at the rim, which prevents it from ringing properly. We consider this a rather uncommon plate. Weight: 380g. Shipping extra (EUR26).
