

Embroidered Chinese Silk Textile Banner - Late 19th / Early 20th Century

440 EUR

Period : 19th century

Condition : Bon état

Material : Silk

Length : 280

Height : 75

Description

Large Chinese red silk textile banner, richly embroidered with polychrome threads and raised elements. The composition is structured around large stylized characters, surrounded by a profusion of decoration blending plant motifs, birds, and fantastical animals. The overall effect is a beautiful textural effect and a very lively decorative piece. Chinese work from the late 19th or early 20th century. Dimensions: 280 x 75 cm
