

Marble Vase With Putti, 19th Century

690 EUR

Period : 19th century

Condition : Bon état

Material : Marble

Diameter : 18

Height : 57

Description

A carved marble vase depicting two putti, a 19th-century work in the Louis XVI style, mounted as a lamp on a pine cone and pierced at its base. The charming front decoration features two putti flanking a bollard with a fire pot; one plays a panpipe, the other holds a basket and a bird. The base is attractively carved, and the vase retains its original patina.
