Description

An Icon of Italian Design Seize this great opportunity to bring a piece of history into your interior design: a splendid wall unit from the 70s created by the genius of Osvaldo Borsani. This modular system represents the perfect synthesis of modernist aesthetics and rational functionality that made Borsani a central figure in international design. The unit is in excellent overall condition and boasts an extremely versatile configuration, ideal for furnishing a living room or professional studio with character. The structure includes 5 linear shelves, one chest of drawers, one chest of drawers with a door, and a refined bar cabinet with a drop-down front, perfect for entertaining. With its significant measurements of 200x200x40 cm, this wall unit is not just storage, but an architectural element that transforms the
