

Small Louis XV Period Wooden Fireplace

1 100 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 126

Height : 108

Depth : 21

Description

Charming small Louis XV period fireplace in original carved and painted wood. Good condition; the wood is damaged on the jambs facing the wall, but this does not compromise the fireplace's sturdiness. 18th century. Interior dimensions (firebox): height 93cm, width 82.5cm.
