Description

Terracotta bust of the architect Andrea Palladio, a leading figure of the Italian Renaissance, portrayed here with a full beard and a noble, contemplative expression. Created in the early 19th century, this sculpture reflects the historicist style, paying homage to the great masters of classical architecture. The modeling is particularly refined, with meticulous attention to detail in the face, beard, and clothing, whose folds are rendered with fluidity and realism. The serene and thoughtful expression of the eyes gives the bust a remarkable presence, evoking Palladio's intellectual authority and creative genius. DIMENSIONS: 87x57x30 / 59x57x30 (bust only) ADDITIONAL INFORMATION: The artwork is sold with a certificate of authenticity and guarantee. We take care of and organize
