Description

Architectural wooden decorative post topsThis high-quality decorative work is from a piece of furniture or an interior structure rather than standalone sculptures, likely staircase newel post tops or bedpost finialsThe ornate upper sections feature acanthus-style scrollwork and stylized animal or griffin-like heads, which are common for the Victorian styleThe turned central section and symmetrical carving indicate craftsmanshipThe paired but slightly different tops suggest they were part of a matched setThe dark patina indicates age and oxidation of the wood finish Some minor damage via chipping but surface wear consistent with age and the pieces are overall structurally solidBoth pieces are approximately 32 cm wide, 20 cm deep and 36 cm highThe square posts are designed to display
