Description

Important Flemish Gothic style chandelier with 8 lights and small reflectors. A very beautiful model presented in its lovely antique patina and in excellent overall condition. The lights are mounted with recessed wedges and are therefore removable for transport or cleaning. Previously and discreetly drilled for electricity, the chandelier can be rewired if needed. The chandelier is sold with its antique Flemish-style chain. Large and very decorative, it is ideal for complementing a period decor. Quality craftsmanship from the 19th century. Note: Transport is at the buyer's discretion and expense.
