### Description

? Antique Italian Folding Marquetry Side Table -  
Antique Decor ????? An elegant side table of  
Italian origin, with refined charm and particularly  
intricate decoration. Its marquetry top  
immediately catches the eye with an  
antique-inspired scene depicting a figure on a  
horse-drawn chariot, surrounded by finely  
executed geometric and decorative motifs.????  
The woodwork is of beautiful quality, with a  
combination of wood species creating a subtle  
and warm contrast. This figurative marquetry  
gives the piece a truly decorative dimension,  
while remaining balanced and elegant.? The  
turned central base rests on three cabriole legs,  
providing stability and finesse. The whole evokes  
traditional Italian furniture, with a beautiful  
presence without being imposing.???? The top
