

Armchair In Twisted Metal, Decorated With Pompoms And Trimmings

2 500 EUR

Period : 20th century

Condition : Etat d'usage

Description

I am offering this striking and rare armchair, mid-20th century, made of gilded and twisted metal decorated with tassels in the style of passementerie. The seat is a cushion covered in a worn beige fabric; otherwise, the piece is well preserved. Back height: 79cm; Seat height: 52cm; Width between armrests at the narrowest point: 42cm.
