1 500 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 41 cm

Height : 50 cm

Description

50 cm high, 41 cm diameter at the neck, 25 x 25 cm base. Beautifully decorated with charming bouquets of flowers on two panels and a bouquet of musical instruments on a royal blue background on the other two. Exquisite work beneath the reservoir with a series of oak leaves highlighted in gold. The piece is in very good condition, having never been used and stored in a cupboard in a house in the Médoc region. Marked and scratched under the base...
