

## Cultured Pearl Choker Necklace, 19th Century Clasp

700 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Length : 46 cm

Diameter : 6,2 mm

### Description

White cultured pearl choker necklace, French work. The necklace is composed of slightly creamy white cultured pearls, 6.2 mm in diameter. It has been restrung with knots on white silk thread. The antique oval clasp features a polychrome enameled floral design in blue, red, white, and green. It is made of 18-karat yellow gold (750/1000) and is typical of 19th-century French regional jewelry. Clasp dimensions: 1.8 cm x 1 cm. Gross weight: 22.4 g. Length: 46 cm. In very good condition, this necklace, composed of luminous pearls, can be worn with the clasp in front or to the side. Free insured shipping within France, with invoice sent by email.
