Description

Victor Doumont (born 1946, Belgium) Lively Beach Scene - Oil on Panel. Charming oil on panel, signed lower left by the Belgian painter Victor Doumont, born in 1946, known for his poetic scenes depicting moments of everyday life. This panoramic composition represents a lively beach scene (likely Normandy or the Belgian coast): elegant ladies in dresses and hats relaxing on the sand, children playing and running, while a row of bathing huts stands out against the sea. The bright sky and soft palette of blues, beiges, and pastels create a refreshing summer atmosphere. Doumont's distinctive style, with its stylized and expressive figures, lends the work a touch of both tenderness and humor. The generous brushstrokes and lively composition lend considerable charm to this seaside scene,
