Description

This superb brooch in the shape of an ornate clover is made of silver, entirely set with sparkling crystals. The movement, details, and finish are worthy of a jeweler's work! It comes in a period burgundy leather case, decorated with gilt tooling, lined with cream satin and burgundy velvet, in excellent condition. The brooch mechanism is perfectly functional, with a tubular joint and a C-shaped clasp, allowing the piece to be dated between 1870 and 1890. The pin is steel. It bears a boar's head hallmark and a partially struck maker's mark (L and unidentifiable continuation). EXCELLENT CONDITION, France, late 19th century, circa 1870. Dimensions: 3.8cm x 3.4cm. Weight: 11g
