### Description

Completely four-tone sound is characterized by a deep tone, three and three colors. In other words, Roos transforms the motives of natural phenomena into unusual visions and rich movements. And yet it is the genera of the artist who paints and animals, all of whom were in grado di realizzazioni composizioni more complesse, as testimoniato dal disegno Deposizione dalla croce, ora al Jean Paul Getty Museum. The style of Roos reflects its taste. Era infatti caratterizzato da utilizzo di pennellate intense, à volte almost grossolane et da un fort de contrasto trave luce et ombre. This personal style will be popular and attracts many imitators. For this reason, the nature of other animals is erroneously attributed to the Roos. However, there are also fratelli and figli dell'artista erano
