Description

Black moulded frame with gadrooned decoration
- 35 x 29.5 cm

Moulded wooden frame with a black patinated finish, 20th century, featuring a sculpted gadrooned decoration inspired by a restrained classical vocabulary, yet with a strong decorative presence.

The deep, rhythmic moulding combined with the slightly worn dark patina gives the frame a distinctive character, particularly suitable for old master drawings, works on paper, or small paintings.

Creates an elegant contrast, especially for artworks on a light background.
