### Description

Elegant Globe Wernicke London oak bookcase from the late 19th/early 20th century from England. This charming bookcase, known as a waterfall bookcase, features elements of varying depths, creating a stunning silhouette. These are among the rarest, as they allow for the placement of large books and other items (such as office filing cabinets) in the lower section. The bookcase has a lot of character, with metal fittings along its sides. The glass doors slide inside the elements. It can be used as a bookcase or a display cabinet. In perfect condition with a beautiful patina this bookcase match perfectly into both antique and contemporary interiors. Delivery available in Belgium, France, and internationally. Viewable in our 2500m<sup>2</sup> showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More
