

Chinese Porcelain Cup Mounted On Gilt Bronze, 19th Century

680 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Width : avec les anses : 32 cm

Height : 21 cm

Description

A beautiful Canton porcelain bowl from China, decorated in the center with a bouquet of flowers and insects (butterflies and beetles), with scattered flowers on the rim, and in the reserves, a decoration of butterflies and birds perched on branches. The mount is gilt bronze with a fluted and twisted stem. The handles are Greek-style. A beaded frieze encircles the porcelain, and a garland of flowers decorates the lower part.
