Description

Mary Magdalene - Antique Tondo, oil on wood, carved and gilded frame. Charming small antique tondo depicting Mary Magdalene in meditation, holding her traditional attributes (skull and cross), in a classically religious composition. Technique: oil on wood panel. Frame: original carved and gilded wood frame with raised vegetal decoration. The figure of Mary Magdalene is rendered with gentleness and introspection, in a somber palette typical of devotional painting. The work shows signs of age with visible wear, small losses, and craquelure, enhancing its authenticity. The richly carved and gilded frame appears to be original and forms a beautiful, harmonious whole with the panel. On the reverse, a barely legible old inscription is visible. Wear consistent with age, craquelure, and small losses. Possible old
