

Étretat, Wooden Panel Depicting Étretat And Its Caiques, 19th Century

980 EUR

Signature : J Berot

Period : 19th century

Condition : Très bon état

Material : Oil painting on wood

Description

Charming wooden panel depicting a view of Étretat with its fishing boats, a beach scene with figures and a church steeple. The work is signed lower right by J. Berot. A lovely little painting, in good condition in its original frame.
