### Description

A rare and beautiful rectangular mercury-backed fireplace mirror with a wide, flowing molding, decorated with stucco, gilt, and a high-quality patina. It is highly decorative due to its intricate design. It features a beautiful, thick mercury backing with a silvery sheen and a parquet-patterned background. The various applied ornaments, such as the four bronze corner brackets, create a cohesive and highly decorative ensemble, very much in keeping with its period--a piece crafted by a decorator in the most elegant style of the First Empire.
