

Table Or Desk Lamp By Alfred Müller For Belmag. Switzerland 1969

765 EUR

Signature : Alfred Müller

Period : 20th century

Condition : Bon état

Material : Metal

Diameter : abat jour 30 cm; base 20 cm

Height : réglable de 42 à 62 cm

Description

This lamp rotates 360° on its main axis, and the lampshade also shifts on its pivot, multiplying the lighting directions. It is also height-adjustable over a 20 cm range. A quintessential example of 1960s Swiss design. Conceived by Alfred Müller and produced by Belmag in Zurich. Belmag lamps are renowned for their exceptional design and craftsmanship.
