Description

An elegant designer dining table created by Charles & Ray Eames and produced by Vitra, an iconic example of 20th-century modernist design. This table features a large round wooden top (natural wood veneer) resting on a central black metal pedestal topped with a four-pointed polished aluminum star base, the model's signature aesthetic. This base ensures excellent stability while maintaining a visually light appearance. The Vitra - Original Eames Table edition label is present under the tabletop, attesting to its authenticity. The table dates from October 2006 (indicated on the production label). Its 110cm diameter comfortably seats six people, making it ideal for a contemporary dining room or a designer interior. A timeless piece that integrates perfectly into modern, vintage, or
