

Small Hanging Cauldron In Riveted Wrought Iron, 20th Century Arts & Crafts Style

80 EUR

Period : 20th century

Condition : Très bon état

Material : Wrought iron

Length : 26

Diameter : 15

Height : 13

Description

Charming small decorative wrought iron cauldron with a patinated finish, riveted sheet metal, a movable handle, and a hanging hook. In a rustic style reminiscent of the Arts & Crafts movement and decorative fireplace or kitchen objects produced between the 1960s and 1980s. The cauldron itself is 13cm high, and the total height with the handle and hook is 26cm. The maximum diameter is approximately 15-16cm. It is in very good overall condition with a beautiful patina and some minor signs of age. Weight is approximately 700-800g.
