Description

A set of six ironstone dinner plates with blue decoration, from the Boch Frères Keramis factory in La Louvière, Dauphin pattern, dating from 1890-1905. Each piece features an elegant blue transfer decoration in a rocaille and floral style. Marked on the reverse "BFK" for Boch Frères Keramis, along with the pattern name and an impressed manufacturer's mark. Diameter 25cm, height 2cm. The set is in good used condition with natural crazing of the glaze and a patina of varying intensity. Two plates are without patina, and there are no chips or cracks. However, there are some cutlery marks on the bases, some more pronounced than others. Approximately 300-400g each.
