Description

Bracelet by the Italian jeweler Pomellato, in 18k white gold (750/°°, owl hallmark), from the Brera line. Launched in 2019, this line references the Brera district in Milan, a leading city for fashion and art, and the birthplace of the brand founded in 1967. This line thus references the house's roots and, through its lines, also evokes the design of the 1970s. It features a clean design with soft, fluid shapes, for a "second skin" feel, a signature of the brand. This bracelet is composed of beautifully intertwined oval rings mounted on a curb chain, some delicately pavé-set with brilliant-cut diamonds. Three end rings offer a choice of three lengths, while a charm bearing the initial "P" completes the bracelet. This is where the piece also bears the jeweler's signature and a number.
