Description

DescriptionThis signed colourist oil painting by a presently unidentified artist depicts a floral still life arranged in a vase, rendered with expressive brushwork and a vibrant, layered palette. Thick, impasto application defines the petals and foliage, while contrasting tones of pink, white, turquoise, and ochre create depth and visual harmony across the composition. The work reflects 20th-century colourist traditions, where form is suggested through colour relationships and painterly texture rather than precise detail.ArtistArtist presently unidentified.Artist DetailsThe painting demonstrates confident handling of paint and a strong emphasis on colour balance, suggesting an artist working within mid-20th-century modernist colourist approaches. The loose, gestural technique and tonal contrasts indicate familiarity
