

Lalique "mortefontaine" Crystal Vase, Signed Lalique France - Large Model

1 600 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Description

Lalique crystal vase, iconic "Mortefontaine" model, created and produced by Lalique. This Lalique France crystal vase features a stylized, sculptural relief decoration, characteristic of Lalique design. The crystal work, with its satin and polished effects, captures the light and highlights the quality of Lalique crystal. A sought-after model from the Lalique catalog, prized for its size, weight, and decorative presence. Lalique France signature engraved under the base. Height: 23.5 cm
