

## Kidney-shaped Table From The Transition Period, Stamped Rebour XVIII

2 100 EUR

Signature : Rebour

Period : 18th century

Condition : Bon état

Material : Wood marquetry

Length : 97.5

Height : 70

Depth : 42

### Description

A kidney-shaped table from the Transition period, veneered in rosewood, with openwork uprights joined by an elegant stretcher and terminating in bracketed legs, stamped IS REBOUR and bearing the guild mark JME under the top. Isaac-Simon Rebour became a master craftsman in 1767. An elegant, understated, and refined model.
