Description

In a style strongly influenced by the 1950s, the Belgian painter Henri Mars offers, through this oil on panel, a sketched and spontaneous representation of a young woman seated, seen from behind. With just a few strokes, he manages to suggest the grace of the figure: the broad back forms a harmonious curve, subtly accentuated by the presence of a breast. The whole is distinguished by its highly stylized and refined treatment. Henri Mars - 20th century. Oil on panel, signed and dated 1950 lower left. Gilt frame. Frame size: 41.5 x 35.5 cm. Panel size: 29.5 x 23.5 cm.
