

## Atlas Gilt Bronze Candlestick

680 EUR

Period : 18th century

Condition : Etat d'usage

Material : Bronze

### Description

Bronze candlestick depicting Atlas kneeling, condemned to carry the world on his shoulders. White marble base with triple molding. Dimensions: Total height 16 cm / 13.5 cm without the base. Marble base 11 cm x 7.8 cm. The central figure is 19th or 18th century; collectors will recognize it. > The cast iron perforations have been recreated with copper discs on the profile, see detail in photo N2 + N4. > The bobèche and marble base are probably later, from the 19th century; the whole is coherent and balanced. A similar model was sold at auction (see last photo). Price is firm. Payment by check or bank transfer. Shipping costs: Colissimo France or Mondial Relay EUR14, other countries please contact me.
