

Louis XV Style Desk, 19th Century

990 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Other

Description

Louis XV style desk, 19th century design. The entire piece is veneered in rosewood. Richly decorated with floral marquetry in boxwood and stained hornbeam. The top has a drawer in the frieze and rests on four cabriole legs. The bronze corner mounts and sabots reflect the floral taste typical of the Louis XV style. The piece has been fully restored in our workshop, adhering to the highest ethical standards of the profession.

Dimensions: Top 100 x 60 cm & Height 78 cm.
