Width : 22,5 cm et 27cm avec cadre

Height : 26 cm et 31 cm avec cadre

Description

19th century oil on wood after Rembrandt.
Striking replica of the famous portrait of Margaretha de Geer painted by Rembrandt in 1661. Between inner gravity and vibrant flesh of the model, this oil on wood faithfully reproduces the luminous structure, the modulation of values and the texture of the impasto and glazes characteristic of the painter's late style.
