

Roman School (circa 1960) - The Cats Of Largo Argentina

360 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on wood

Description

Oil on panel. In this 1960 oil on panel, the artist's nervous, textured brushstrokes transport us to a ghostly Rome, where time seems to have stopped between the folds of the ashen stone. The cats, captured in a chiaroscuro of deep grays and blacks, appear not as mere animals, but as the eternal guardians of the ruins, silent sentinels watching over the echo of a declining empire. Amidst the labyrinth of eroded staircases and nameless walls, these feline figures seem to be the sole legitimate heirs to Roman glory, moving with aristocratic ease through the shadows. Image dimensions without frame: 60 x 20 cm / 76 x 36 cm with a custom frame.
