This mirror bears the plaque "Mazarin unique piece Henry Bernard." Henry Bernard was a student of Line Vautrin. It is in superb condition; you will notice a few typical cracks in the talosel.

Henry Bernard (1912-1994) was a French architect and urban planner. Line Vautrin (1913-1997) was a French artist, designer, and creator of jewelry and decorative objects.

Throughout her life, she produced thousands of objects, including "witch mirrors." She is interested in a new substance: cellulose acetate, from which she derives a new material called "talosel." Our photos allow you to appreciate the quality of the item. For condition, please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description.
