British School (circa 1920) - Oxford: Façade Of Brasen-nose College

320 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting

Description

Oil on canvas. Original canvas. Under a leaden grey sky, typical of Oxford evenings, this oil on canvas captures the entrance to Brasenose College with an almost reverent architectural restraint. The Headington limestone facade, weathered by time and soot, stands at the center of the composition, where the grand Gothic portal marks the transition between the academic bustle of Radcliffe Square and the monastic silence of the inner courtyards. Image dimensions without frame: 31 x 21 cm / 42 x 31.5 cm with a custom frame.
