

## Walnut Bedside Table With "niche", 19th Century.

550 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 44

Height : 77,5

Depth : 33

### Description

A charming Louis XVI walnut bedside table with a niche, dating from the 19th century. It opens to reveal a drawer inlaid with geometric and Greek key patterns, which are also found on the cabaret-shaped top. The sides feature a single panel with a heart motif. It rests on four tapered legs.
