

## 19th-century Cherrywood Sideboard With Three Doors

1 180 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

### Description

A beautiful Louis-Philippe style cherrywood sideboard - 19th century. This elegant sideboard, crafted from cherrywood, features three doors and three drawers in the frieze. The piece boasts a clean and balanced design, characteristic of the Louis-Philippe style, with a facade punctuated by molded panels and showcasing the beautiful grain of the cherry wood. The drawers are fitted with metal drop handles, and the doors reveal an interior with shelves offering ample storage. The top with its built-in storage compartments and the generous proportions give the piece a striking presence. French craftsmanship from the 19th century. Dimensions: Length: 196 cm Height: 101 cm Depth: 60.5 cm. Very good overall condition, with a beautiful patina.
