### Description

Oil on canvas. 19th-century Northern European school. Evocative and choreographic view of a forest with a stream flowing through it in the autumn colors. The painting was relined in the late 19th century; it still has several paint losses. It is presented in a frame contemporary with the relining. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
