Description

A very charming small oil painting on canvas mounted on cardboard. This painting is in good condition in its original size. However, it would benefit from a thorough cleaning. It bears no signature, but on the back, numerous annotations, seemingly in German (which I have been unable to translate), would undoubtedly offer some insight into its origin. The frame is old, with a small chip. The painting is small in size; without the frame, it measures 15 cm x 12 cm. With the frame, it measures 25 cm x 22 cm.
