Description

An elegant Regency-style side table dating from the early 20th century (1920-1940). It features a beautiful white Carrara marble top surrounded by an openwork brass gallery, resting on a mahogany frame with clean, elegant lines. The table also has a drawer in the front with its original knob, as well as a practical lower shelf. Its tapered legs and refined silhouette make it ideal as an end table, bedside table, or serving table.
