Description

Superb spherical vase in Longwy enamel, depicting a stylized world map covering its entire surface. The decoration is embellished with maritime scenes, animals, and geographical motifs. The overall effect is elegant, original, and highly decorative, evoking a spirit of travel and discovery. "Mappemonde" model, produced in a numbered limited edition (25/150). Diameter: 25 cm. Perfect condition. The "Colonial Sphere" was created in 1931 by Maurice-Paul Chevalier, then artistic director of the Longwy factory. This new model was presented at the Colonial Exhibition in Paris, where it won a gold medal. It immediately became an emblematic shape of the company. Professionally packaged. Worldwide shipping. Registered and insured parcel.
