

## Four 18th-century Cabriolets With Detached Columns

1 400 EUR

Period : 18th century

Condition : Etat d'usage

Material : Painted wood

Width : 59cm

Height : 89cm

Depth : 50cm

### Description

An interesting set of four Louis XVI period cabriolet armchairs, with fluted and reeded legs, arched front rails, columns carved with acanthus leaves on the armrests and detached columns on the sides, and beaded backs. The woodwork is in good condition, with minor losses and a beautiful patina of age in the highlights. Upholstered in the original blue-green velvet. See a pair of bergère armchairs of the same model in my gallery.
